ABOUT ME

I design and code beautifully simple things, and I love what I do.

I'm a Full-stuck Developer which made a lot of sites,apps... for startups and companys using Html,Css,Php,Wordpress... ,I am located in Morocco Tangier . I have a serious passion for UI, dynamic user experiences, Ai Developments, Future of web developments (Web 3).

Well-organised person, problem solver, independent employee with high attention to detail. Fan of Mountain Biking, outdoor activities, TV series and Arabic literature. A family person,

Interested in the entire frontend and back-end spectrum and working on ambitious projects with positive people.
